

Credit Card Balance Transfer Offer – August 1 to October 31, 2026

You're qualified for a balance transfer promotion on your credit card. Act now and enjoy 0% APR on balance transfers made through October 31 for up to 12 months with a 3% balance transfer fee.*

*APR = Annual Percentage Rate. Promotional APR is valid only for balance transfers from other credit card companies, financial institutions, or department store credit cards and purchases made. Promotional APR will not apply to checks made payable to you, cash, or to make payments on any obligation you have with First Entertainment Credit Union. You must continue to make your required monthly payments to the issuer/merchant until you receive a statement from the issuer/merchant reflecting the balance transfer payment. First Entertainment will not be responsible for any finance charges or late fees you incur on your other account as a result of a balance transfer request. We will not close your other accounts, even if you transfer the entire balance - please contact other creditors directly. Balance transfer requests may not exceed your available credit at the time we receive your request. Your accounts at First Entertainment must be in good standing at the time the balance transfer offer is processed. Please refer to First Entertainment Credit Union Visa Credit Card Agreement & Disclosure and Federal Truth-In-Lending Disclosure Statement for additional information. Rewards points are not earned on any balance transfers. Any balance transfers processed after the promotional period will incur finance charges at the standard Cash Advance rate. The promotional APR will remain in effect through your October 2027 credit card statement cycle. Balance transfers must be completed by October 31, 2026, in order to obtain the promotional APR. Minimum \$50 transaction required to receive the promotional APR.
